
OUR COMMITMENT TO SAFETY

Access Intelligence continues to be committed to creating exceptional experiences that ignite connection and commerce, especially through our live events this fall. The health and safety for our event attendees, exhibitors, sponsors and team members is a priority for Access Intelligence.

Here's what you can expect at our events this fall:

Masks will be provided for any attendee who wants one. Our events will follow CDC and local guidance regarding the use of face masks.

High traffic areas (such as handrails, escalators, door knobs, elevator buttons, etc) will be disinfected by the venue staff frequently.

Hand sanitizer stations will be available throughout the event.

Alternative ways to greet business partners are encouraged. The exchange of printed materials, such as business cards and sales brochures, are also discouraged, with digital alternatives available and recommended.

Conference sessions will be set to allow for proper physical distancing in accordance with local and CDC guidelines.

Self-serve registration will be implemented whenever possible and pre-registration will be encouraged.

Food and beverage functions will employ the highest standard of food safety, minimizing self-service options.
